Chairman's Comments

Just like to say a big thank you to everyone involved with adswood United what a brilliant season for all the teams 6 cup final ,mens team in semi final just want to say a big thank you to all the players all the parents grandparents brothers sisters and everyone else who has supported adswood United and a thank you to all the committee for all the hard work they put in every day of the week to make sure you can play football 🏈 hope everyone enjoyed the presentation

All the Best -Tim Burke club Chairman

Club Summary

This season has seen the club grow to 7 teams . U7-U8-U9-U10-U11-U14-Mens. All teams reached atleast a semi Final in their respective competitions . But the main thing is all teams improved and developed as the season went on . A total of 5 trophies were won across the teams but for us these are just a bonus . Our main aim is improvement and development across all the teams from the youngest to the oldest Player .

Messages from Committee Members

I am So proud of all the junior teams for their achievements this season, and the future looks good for adswood Utd as a club👍

- Mark Hester Junior Secretary

What a fantastic season for every single team . To see each team in Atleast a semi final is a brilliant achievement. Our hope Is to grow the club on and off the field . And we are currently developing a 5 year plan to improve and grow the club . We do everything we can to make sure the players have to best possible with what resources we have available. Adswood united is also getting noticed for its fantastic cup achievements this season . Long May it continue. While the season has ended the hard work is just beginning behind the scenes. Roll on next season

**- Nathan Downes
Club Secretary**

First of all a massive thank you to all our volunteers, without you we don't have a club. Your continued commitment has enabled the club to thrive and because of people like you we have been an integral part of the community since 1966.

On the field it has arguably been our most successful season in our long and distinguished history. I have had the privilege of seeing a couple of the teams win finals and the smiles on the faces of the players reminds me why I love this club so much.

Off the field we continue to be able to keep football affordable and inclusive to all through fund raising and sponsorship. To keep this possible we have to be financially prudent and find new ways of raising funds. We have also launched our Club website from which a number of enquiries have come from parents seeking a club for their children.

The future looks well and we plan to create a 5-10 year development plan which will see the club grow and potentially add girls/women's football teams as well as football for people with a disability. We will continually knock on the Council's door for the lease of Bakery which could open up so many avenues for us.

So, to summarise what a season and long may it continue.

Ian Donegani Vice Chairman and Treasurer

Teams

Under 7s

Took over a great team in the middle of the season. The boys have grown from strength to strength in their first season.

After a few weeks juggling numbers and positions we finally settled and went on a really good run of results.

These took us to a cup final which all the boys played their part in, eventually winning 2-1 thanks to two fantastic goals!

For it being their first season in the league I couldn't be prouder of how much the boys have progressed scoring 68 goals in the 15 games. Some really bright talent in the team for the future!

**-Andrew Gill
U7 Manager**

Teams

Under 8s

Such a brilliant season for this group of kids improving all the time . Took us a few weeks to learn positions but now we a competing at a good standard . Made the semi final in the stockport Trophy and went one better and made the final for the Spurley hey tournament. Looking forward to next season and transitioning over the summer to 7aside

Teams

Under 9s

The team have been amazing this season and improved from last year improving on their playing style and performance over the course of the season.

We finished the season scoring 117 goals and conceding only 41. That was W19 L5 D4 across all competitions and ending the season winning their 1st trophy 🏆

U10's End of Season Review

Me and Nathan took over mid season or so. What a brilliant team we took over. Some help from some U9's when needed helped us out tremendously, helping us keep our winning streak going.

Some fantastic individuals in that team but with the ability to play together made them such a strong and dominant side. Being a close bunch of friends which they all are always helps too. Great way to finish the Season with a Cup Final thrashing over Spurley Hey 9-4 topped off a super season.

Hopefully we can recruit a few more for next season as they move to 9 aside next season as it would be a real shame to have a team that good not continue! 🙌

-Matt Donegani U10 Co-Manager

Teams

Under 11s

The team have done amazing this year me n shane took over at the beginning of this season and for our first season together with the lads it has been amazing from start to finish I've loved every minute of managing these lads and there a talented bunch who are gonna keep improving each season.

We have finished top of the league winning all our games and we won 1 final 🏆 and got beat on penalties in the other final so this season has been absolutely brilliant from everyone 🙌

-Jamie Firth Co Manager

Teams

Under 14s

This season we have got stronger as it went on. We started pre season by winning 3 pre season tournaments .we Competed very well in the League finishing 3rd . We got our revenge in the cup going all the way to the final for the second year running but this time beating the league champions in the semi final before winning the final on penalties against last years same opponents. I can't explain how proud I am of every single player this year they have all contributed through out the season and have all stepped up to the next level . Next season we aim to improve on this fantastic season and want to target the league title and cup.

**- Nathan Downes U14
Manager**

Under 14s took Part in Adswoods first international Match

**On Saturday 8th April
Adswood united u14 took
on Bainbridge Island FC
from Washington DC in
the USA in a international
friendly match . Bainbridge
were on a uk tour and had
asked Adswood for a
match while over in the
uk .**

**This was a great
opportunity for the team
to try their skills and talent
against a team from across
the pond . This was also
fantastic opportunity for
the club to build bridges
with a team from around
the world and help to set
links between the clubs for
the future.**

Recruitment

**If your interested in joining one of
our teams please email

ability and positions for 1-2-1's.**

Teams

Mens

This season has been a very up and down season for more reasons than one. The core of the squad stuck together and managed to finish a respectable 5th in the league . We feel to many draws cost us finishing any higher . Injuries to key players in key positions made it difficult work especially in between the sticks using 7 Goalkeepers through out the season some of which had never played in goal before . Regardless of this after Christmas we settled and went on a fantastic cup run making it all the way to the semi finals loosing narrowly to League champions. Next season we want to bring a few new faces in to go with our current core players and have a go on improving this season and going one better .

Goodbyes

As the season ends we say goodbye to two special people . Lauren Keates and Micky Bowen.

Lauren daughter of junior secretary mark Hester has been with the club many years in many capacities.

Firstly as our welfare officer and then she had a successful few years with this seasons u15 team. When they had to fold due to due lack of players ,she didn't just step away she made sure every player left found a new club and then supported her dad in coaching our under 8 team.

We wish Lauren all the luck and happiness in the world

Sunday league legend Micky Bowen has won everything possible as a manager over the years at mens football .

8 years ago he agreed to support Nathan with our u7s .

8 years on as the lads are about to move into u15 he certainly supported and more . Ever present with Nathan they helped the teams and pushed them into winning trophies topped off by winning the u14 stockport cup. Mick has decided to retire from football but has assured us all he will be their every week supporting the lads .

Thank you for everything Micky . The word Legend doesn't do you Justice. The club have invited Micky to become a life time member of adswood united Fc
